FASHION LAB NY

Private Lessons & Consultations

For ages 10 and up

FASHION LAB NY has a variety of learning opportunities for you to learn to sew or to brush up on your skills. Material covered in individual lessons varies according to the individual student's age, level of experience, and area of interest. Basic sewing skills as well as pattern design and an understanding of textiles are taught. Sewing consultations are treated as an individual lesson.

Lessons are usually an hour or more in length and may be taken on a weekly, bi-weekly or other basis. Time may be scheduled at the convenience of both student and instructor in a minimum of one-hour increments. All lessons and consultations will take place at our designated space in Buffalo NY, or we can bring Fashion Lab NY to you (additional rates will apply). Scheduling priority is given to prepaid lessons that are scheduled on a weekly basis.

All lessons are subject to the ***FASHION LAB NY*** Class Policy. We do not refund prepaid lessons. The following price list is currently effective as of **January 1, 2026**
